

through Community

Holden's children need you.
You have the power to make a
difference in their lives.

Programs supported by the
foundation seek to expand
classrooms, enhance learning
opportunities and engage students
of all ages.

- *Teacher Grants*

Twice each school year, the
foundation awards these grants
designed to help staff expand
classrooms. Missouri history and
state government came to life for
an entire fourth grade who traveled
to Jefferson City through grant
funds.

- *Scholarships*

The support of our seniors will not
only enhance their learning
opportunities, but also benefit the
future of our community.

- *Directed Donations*

Donations directed through the
Foundation have funded projects
from athletics to academics,
engaging learners in all areas of
study.

Involvement

As a donor, you or your business can
support Holden's excellent school
district and enhance the vitality of our
community.

Your contribution makes Holden an
even better place to live as it helps
build a legacy of leadership and
excellence from the classroom to the
community.

Enrich

Holden R-III School FOUNDATION

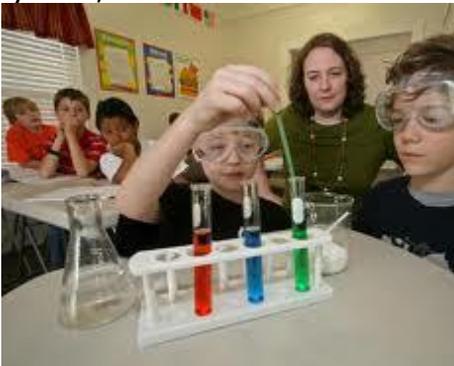

*To enrich the educational experience
for all learners
through community involvement*

the Educational

Classrooms that come alive; students that are engaged; that's where real learning lives. Watching caterpillars become butterflies, witnessing amazing forces of weather, getting "up-close and personal" with plants and bugs can be the spark that lights the fire of life-long learning for a child.

That's where Holden R-III School Foundation comes in. Through teacher grants, scholarships and directed donations, the Foundation promotes excellence and supports the innovations that make our great school system, even better.

Tell me, I'll probably forget.
Show me, I may remember.
Involve me and I'll understand.

-Chinese proverb

Experience

The Foundation is made up of volunteers from the community who value the uniqueness of each child and the importance of providing students further opportunities to excel in all areas of study.

Support of the foundation helps to:

- Encourage academic excellence for all students in the Holden R-III School District
- Promote student and educator leadership and achievement
- Provide resources, facilities and technology that expand classrooms
- Endorse a quality learning environment for each student and our community

for all Learners

"We know students excel when they have a strong foundation to support them. Holden R-III School Foundation provides the financial support to build that foundation."

*- Marion Robey,
Foundation Board Member*

Contributions may include pledges, memorials and tributes of any amount, and financial support of fund-raising activities. The Foundation is a 501c(3) corporation; all donations are tax-deductible. Perhaps one of the best aspects of your support is that your contribution will *directly affect* the learning opportunities of students in the Holden R-III school district because your dollar stays *right here* in Holden.

Many employers offer matching gift programs. This is a great way to make your gift do even more. Check with your employer for details.
